**INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 C.F.R. 1.97(b)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In compliance with the Applicant's duty under 37 CFR § 1.56, with respect to the instant application, Applicant is submitting additional references of record in Applicant's other related applications as well as other references that may also be of background interest. In an information disclosure statement (IDS) submitted on August 23, 2005, Applicant submitted a set of references that were listed on Forms PTO-1449 (referred to as Set I, Supplemental I, II, III, and IV), along with a CD containing the copies of the cited references. In compliance with the Patent Office requirement for hard copies of the foreign patents and other non-patent documents

---

CERTIFICATE OF MAILING UNDER 37 CFR 1.8

I hereby certify that this document (along with any referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as First Class mail in an envelope addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450

under 37 C.F.R. § 1.98(a)(2), Applicant is again submitting a copy of those Forms PTO-1449 (Set I, Supplemental I, II, III, IV), along with hard copies of all the foreign patents and other non-patent documents listed on all the Forms PTO-1449s. Applicant is also submitting the additional references listed on Forms PTO-1449 that are captioned Supplemental V.

Applicant respectfully requests the Examiner to consider these references with respect to the claims pending in this application. The Examiner is requested to initial the left-most column of the enclosed Forms PTO-1449, adjacent each reference, and to return a copy for the Applicant's records. It is further requested that these references be cited on the cover of any patent issuing from this application.

The statements made here should not be construed as a representation that more material information does not exist nor an admission that an exhaustive search of the relevant art has been made. Nor does this statement constitute an admission by Applicant or Applicant's representatives that the information provided here is necessarily prior art to Applicant's invention. Applicant is merely submitting references that may be of interest to this application and reserves the right to establish patentability of the claimed inventions over the listed references should they be asserted against his claims.

This Information Disclosure Statement is filed in accordance with 37 CFR §§ 1.97 and 1.98. This Information Disclosure Statement is believed to be timely submitted and therefore does not require a petition nor fee because the submission submitted today satisfies a requirement by the Patent Office of hard copies of the references submitted before on a CD.

This Information Disclosure Statement is filed in accordance with 37 CFR §§ 1.97 and 1.98. This Information Disclosure Statement is believed to be timely submitted and therefore

Application No.:  
IDS dated:

10/687,446  
April 19, 2006

requires no petition nor fee. It is submitted under 37 CFR § 1.97(b)(3), that is, before the mailing of a first Office action on the merits. If the undersigned representative of Applicant is in error in making this determination that no fee is required, the Examiner is respectfully requested to consider this statement as a petition and is authorized to charge any fee required by the filing of these papers to Deposit Account No. 50-1636 in order to ensure proper consideration of the references cited here.

Respectfully submitted,

Dated: April 19, 2006
